Evaluations and Fees
Do you know what kind of credential evaluation you need? Learn about your options and preview the potential cost of your evaluation report.

Required Documents
What documents do you need to send WES? Enter information about your educational background to preview your list of required documents.

Degree Equivalency
This free tool lets you see what your credentials might be equivalent to in the U.S. Discover the value of applying for an official report from WES.

Digital Badges
A WES Digital Badge is a web-enabled version of your credential evaluation, which means that it can be verified online—instantly. This gives you maximum visibility and recognition.

WES iGPA Calculator®
See how your grades compare on the 4.0 grading scale used in the United States. Conversions are based on the most common grading scales for your country of education.

Career Pathways
WES Career Pathways e-guides provide guidance and resources to internationally trained immigrants and refugees seeking to use their education and credentials in the U.S.
